# ABOUT US

---

Welcome to Susri Export, a premier manufacturer of high-quality leather gloves and work apparel. With a rich heritage of craftsmanship and a commitment to excellence, we specialize in creating durable, comfortable, and stylish products that meet the demanding needs of professionals across various industries.

Our goods are produced under one roof by highly qualified, experienced employees who use modern equipment for the continuous advancement of quality goods. Most of the models of our gloves have been certified CE CAT 2, According to (EU) 2016/425, Annex "V" on Personal Protective Equipment (PPE) conforming EN 388: 2019 (EN 388: 2016 A1: 2018) EN 407:2020, EN 12477:2001 +A1:2005, EN ISO 21420: 2020 in appreciation and recognition of our leather quality and high performance level. We are ISO 9001:2015 Quality Management System, ISO 14001:2015 Environmental Management System, and OHSAS 18001:2007 Occupational Health & Safety Management System certified company.

Our whole collection of industrial workwear is designed to withstand even the most demanding situations, all while keeping safety in mind. With our wide range of workwear goods, you can experience more comfort and safety at a great price. The strong and extensive selection of items can protect you from workplace dangers. With a specialty in creating personalized apparel, we can provide custom-made products as per customer specifications at a very affordable price.

All our products are exported to European countries like Italy, Spain, Germany, Austria, the UK, France, the Czech Republic, Greece, Poland, Portugal, and many more in addition to - Australia along with Latin American countries like Brazil, Chile and North American countries. Our continuous endeavor, hard work and dedication towards meeting and exceeding customer satisfaction with excellent product quality, specialized leather tanning, perfect manufacturing, and commitment have enabled us to keep a long-term relationship with our valued customers around the world over the years.

Presently we have the most scientific and modern infrastructure at our factory with advanced equipment and expert teams. Also, we feel proud to announce that: " WE DON'T EMPLOY ANY CHILD LABOUR"
